“What a fantastic place! My now wife and I stayed in The Schoolhouse for two nights, the night before our Civil Ceremony (the Registry Office is only 400m away) and also the day itself. We had lunch there for 20 people and they all said how impressed they were with everything from start to finish. The charm of place cannot be overstated, and has to be seen to be believed. The bedrooms are so comfortable and spotless, a five star experience. The food was as amazing as expected, but what truly made everything so memorable was the attitude of all the staff and the effort they put in to make our day perfect, and it was. So a big thank you to all the team there for making our special day truly memorable ❤️”

“Highly recommend the Schoolhouse. The hotel is lovely and has a quaint charm to it. Rooms are quiet, clean and calm. Comfortable bed too. Always someone there at reception if you need assistance. We had our small Wedding reception here with just under 20 guests in the Blue Room. Very cosy & warm atmosphere. Interesting building, nice fireplace & the food was delicious. We chose their set menu option. All of our guests loved the food, most of which ordered the steak as main. Background music and TV available too. We connected our laptop to the TV to present a slideshow of our photos. It's a smart TV so there is also an option to play your Spotify playlist through their speaker system. Thank you again to Laura and all the Schoolhouse staff. Everything went so smoothly & efficiently for our big day!!”
